Work Experience/Internships-

Deutsche bank, New Delhi, India (November 2011- May2012)

- Worked with the Global Transaction Banking Department under Corporate and Investment Banking Division.
- Responsibilities included in financially analyzing companies from sectors like Railways, Oil and Gas, Infrastructure, Telecommunication and Steel which were previously not on the radar of the bank.
- My project report brought into light more than 25 companies, out of which 4 companies were being tapped during my tenure at the bank.
- I got the opportunity of working on the acquisition of clients for a supply chain finance program.
- I also got the opportunity to work with Deutsche Equities for the issue of an IPO of a Public Sector Company.

Philips Electronics India Ltd, Gurgaon – (December 2009) & (May – June 2010)

Project Title - “FLEXIFIN”

- Worked along with the treasury team at Philips Electronics India Limited.
- Finance is an enabler to create additional business. With this understanding, I lead a team of 3 members in the project explaining how by providing financing solutions, Philips could increase their sales of Healthcare Equipments.
- My project’s scope included corporate, private, public hospitals and standalone diagnostic centers in metropolitan cities of India.

Citi Bank, Mumbai, India – (December 2008)

Project Title - Retail & Corporate Banking

- Worked with the Corporate team and the retail team
- Familiarized myself with the deposit products available for the two types of clients.
- I also had the opportunity to observe the operations team to understand how banking transactions actually take place.

University Projects-

- Impacts of Commercializing of Microfinance in India (August 2013) under the guidance of Prof. Juliane Thamm.
- Valuating Optos Plc using Free Cash Flow model, Dividend model and Earning model (July 2013) under the guidance of Prof. Dick Davies
- Testing the Pecking Order Theory and the Trade-Off theory of Capital Structure theory for the FTSE 100 companies. (June 2013) under the guidance of Prof. Leilei Tung
- A Risk Analysis of BMW AG and understanding the derivatives they use to hedge risk (March 2013) under the guidance of Prof. Adrew Marshall
- Using Derivatives for reducing risk (Jan2013) under the guidance of Prof. John Capstaff. The virtual project involved in using future contracts from LIFEE in order to reduce the risk of our portfolio.
- “Are Credit Rating Agencies fit for purpose?” – A critical analysis leading to whether CRAs should be allowed to function (Nov2012) under the guidance of Prof. Juliane Thamm
- “Telecity – A Pioneer in the UK Software Market”- A financial analysis of the Software companies operating in the UK, to identify a potential investment (Nov2012) under the guidance of Prof. Richard Grey
- Presented a paper on ‘**Indian Banking 2020**’ at a national conference held in Manipal University, India.

Technical Skills-

- Proficient with Microsoft Office
- Attended a 7-week workshop on **Financial Modeling** on Excel.

EXTRA CURRICULAR ACTIVITIES-

- Took part in a national competition organized by the **Association of Corporate Treasurers (ACT), London** in 2013.
- Was a member of **ZEPHYR**, the student forum of the Department of Commerce, Manipal University. Also headed the college’s **Placement Committee** for the year 2010-11.
- Was a member of the General Local Body, **AIESEC (Manipal University)**
- Took part individually and in teams in various International, National and Local level University Management Fests in the field of Finance, Marketing and Crisis Management.
- Participated in Tennis (City Level), Table Tennis (City Level, University Level) and Cricket tournaments (City Level).

HOBBIES –

Apart from education and my traineeships, I do enjoy playing a wide variety of sports like **cricket, tennis, table tennis, squash and swimming**. Whenever I do get a break from my academics, I enjoy a vacation of adventure sports. These adventure breaks provide me with new challenges and some of the best adventure sports I have done so far are **Bungee Jumping, River rafting, Cliff Jumping, Paragliding**.
