EXPERIENCE

BKT Tyres

Oct 2021 - Oct 2022

- I was placed in BKT tyres as a graduate engineer trainee.
- I worked there as a Technical engineer in the Stock technical department.
- I have experience working in both established plant and in new plant.

PROJECT

- **Hibernate with JPA :** Developed small projects on all the mapping annotations to connect entities(Foreign key). Here we used xml files and mysql database.

Github Link : <https://github.com/Varun28299/one-to-one-uni-directional-Mapping>

- **Spring Boot :** Developed a project to store employee details using spring boot where all the configuration has been done between the classes using annotations and also performed CRUD operations with mysql as database.
