Project

➤ **Promotions Supplier Funding Recovery:**

TESCO Bengaluru Private Limited

- In Mission 2023 I was part of under “UNLOCK” pillar Supplier Funding recovery project.
- Identified revenue leakage by setting up a process to identify cost price and promotion mismatches on a daily basis, run validations to identify the legitimate ones and highlight to the respective buying teams
- After validations all the queries will be sending to respective category buyers and suppliers.
- The direct negotiation will be happening with all suppliers to align high retros values as they have been previously agreed high value of retros as per TESCO policy.
- The indirect benefit, which I have received from supplier funding, is 75k euro

➤ **Applications Used for Processing**
